• Dennis Muilenburg speaks on “A Partnership for the
  Next Generation”

Dennis Muilenburg is president and chief executive officer of Boeing Defense, Space & Security and serves on the company’s Executive Council. This $33 billion, 58,000-person business unit is a provider of integrated solutions to meet the enduring needs of defense, government, space, intelligence and security customers in the United States and around the world. Headquartered in St. Louis, the organization has concentrated operations in St. Louis; Southern California; Seattle; San Antonio; Houston; Philadelphia; Mesa, Ariz.; Huntsville, Ala.; the Space Coast of Florida; Washington, D.C.; Australia; Saudi Arabia; the United Kingdom and Korea.

Muilenburg, who joined Boeing in June 1985, has a bachelor’s degree in aerospace engineering from Iowa State University and a master’s degree in aeronautics and astronautics from the University of Washington.
