AerE 160
LTA Race Day

The freshman aerospace engineering students will participate in the semi-annual tradition of creating “lighter than air-crafts” and navigating them through an obstacle course in Howe Hall. Along the way, the teams face trials and tribulations to determine who has created the best design.

Thursday, May 1st @ 5:00-7:00pm
Atrium, Howe Hall

Please join us to cheer on the 6 teams!
