

Ahmet Ozbay received the **Best Poster Award** of 2013 Iowa Wind Energy Association (IWEA) Conference held in Des Moines, March 25~27, 2013. The authors of the poster, entitled “An Experimental Investigation on the Wake Interferences Among Multiple Wind Turbines over Complex Terrains”, are Wei Tian, Ahmet Ozbay, Wei Yuan, Partha Sarkar and Hui Hu.

By the way, another poster from our group, entitled “Experimental Investigations on Performances of Counter-Rotating Wind Turbines”, was also selected to receive **Honorable Mention Award** (i.e., the 3rd place) in the poster competition of 2013 Iowa Wind Energy Association (IWEA) Conference held in Des Moines, March 25~27, 2013. The authors of the poster are Ahmet Ozbay, Wei Yuan, Wei Tian and Hui Hu.

Congratulations! Wei and Ahmet! Great job!
